PROJECT SUPPORT SERVICES

We take pride in Atlas's distinctive value proposition, which stems from our ability to fully grasp the vision, needs, and operational methodologies of our clients. This capability has been recently showcased in numerous projects undertaken across Saudi Arabia.

Custom Manufacturing Solutions:

We specialize in the fabrication of a wide range of equipment, including exchangers, storage tanks, drums, hoppers, manifolds, and more, tailored to meet your specific requirements.

Comprehensive Support for Piping Projects:

From fabrication and erection to welding, testing, and pre-commissioning, we handle all aspects of piping projects, including the design and installation of pipe supports and structural supports.

Professional Industrial Coating Services:

Enhance the durability and longevity of your equipment with our industrial painting, coating, and galvanizing services, ensuring optimal protection against corrosion and environmental factors.

Expert Steel Structure Fabrication and Installation:

Our services extend to the fabrication and installation of steel structures, encompassing gratings, railings, and other essential components to support industrial operations.

MACHINE SHOP SERVICES

ATLAS AL JUBAIL takes pride in offering a comprehensive range of machine shop services tailored to meet the demands of modern industries. From precision lathe machining and intricate milling to drilling, shaping, rolling, and bending, our state-of-the-art facilities are equipped to handle a diverse array of projects with utmost efficiency and accuracy. Moreover, our expertise extends to advanced techniques like laser and plasma cutting, ensuring precise and clean cuts for various materials.

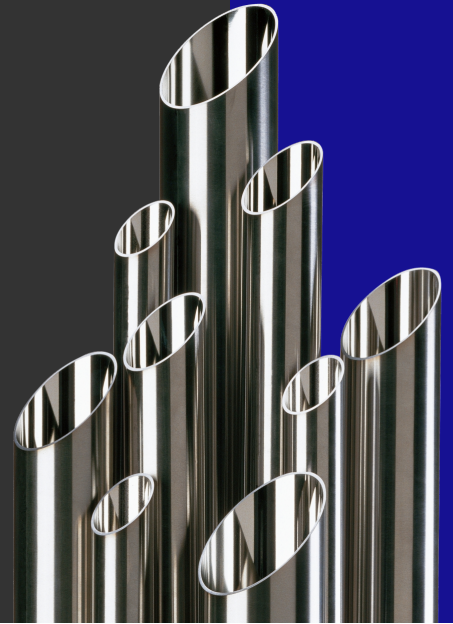

With a focus on quality craftsmanship and advanced technology, we are committed to delivering excellence in every aspect of our machine shop services. Whether you require intricate component fabrication or large-scale industrial machining, trust **ATLAS AL JUBAIL** to provide reliable solutions that meet your exact specifications and exceed your expectations."
